

The Genentech[®] Access to Care Foundation (GATCF)

GATCF helps eligible patients who meet specific criteria receive their Genentech medicines free of charge.

Eligibility Criteria

Genentech Access Solutions requires only the Statement of Medical Necessity (SMN) and Patient Authorization and Notice of Release of Information (PAN) to initiate services. Please do not send any other documentation unless requested by Genentech Access Solutions. Any additional forms required will be provided to you by Genentech Access Solutions. For further information, please contact a GATCF Foundation Specialist at (866) 422-2377.

*Including Genentech brand-specific co-pay cards and support from independent co-pay assistance foundations.
