Step 10 Health Care Provider Certification

By submitting this form, I certify: (a) The above therapy is medically necessary for this patient and the treatment decision has been made by the prescribing physician. (b) If the indication for which this Genentech product is being prescribed to treat is not listed in the FDA-approved label, the prescriber is prescribing the medication for an "unapproved" use, meaning that the FDA has not approved the efficacy, dosage amount or safety of this medication for such a use. (c) The provider's office received the authorization to release the information above and other protected health information (as defined by the Health Insurance Portability and Accountability Act of 1996 [HIPAA]) to Genentech, Inc., Genentech Access Solutions, the contracted dispensing pharmacy, or other contractors for the purpose of requesting reimbursement support, assisting in initiating or continuing therapy, as a break in treatment would negatively impact the patient's therapeutic outcome. (d) The provider's office will not attempt to seek reimbursement for free product provided to the patient. (e) The services requested on behalf of the patient may include benefits investigation (BI), prior authorization (PA) and appeals support, co-pay program referral or enrollment and co-pay assistance foundation referral. (f) **No action on these services will be taken until the patient consent document has been received.**
